This publication was funded by Austrian Development Cooperation in the Austrian Federal Ministry for Foreign Affairs and UNICEF.

The directory was commissioned by the Gender Research & Advocacy Project of the Legal Assistance Centre. Dianne Hubbard of the Gender Research & Advocacy Project guided the consultant, Perri Caplan, throughout the production process. Perri Caplan co-ordinated production, wrote up the information from the questionnaires and other materials and produced the pages. Rina Duckworth assisted her by gathering most of the data. The late Heidi von Egidy assisted with conceptualising the service categorisations and chapter arrangement and processing some data. Representatives of the organisations involved in the Multimedia Campaign on Violence Against Women & Children served as resource persons. Naomi Kisting of the Legal Assistance Centre prepared the 2005 update.

The Legal Assistance Centre and the Gender Research & Advocacy Project would like to thank the Austrian Development Cooperation and UNICEF for making this publication possible.

Our sincere thanks to all the governmental and non-governmental representatives who provided information and suggestions.

Finally, thanks to the consultant and her production team.
